

Notice:

Please remind your visitors of the speed limits and golf cart rules.

The speed limit is 25 mph.

Children cannot drive golf carts. Drivers must be at least 15 years old with a valid learner's permit and accompanying someone with a valid driver's license. All drivers need a valid driver's license.

Children sitting in the driver's lap though fun, may be dangerous and illegal.

It is important to note that most golf carts cannot drive on public roads. Which is what we have here in LBI. We only get to drive them on our roads because Charlotte County has designated us as a Golf Cart Community. If there are too many violations, they could take away the golf cart privileges.
